**ZOOLOGY DEPARTMENT**

**Excursion report**

Department of Zoology had organized an Excursion/I.V for S. Y. B. Sc. and T. Y. B. Sc. Students in term II on 27-12-2018 . The excursion was arranged at KATRAJ DAIRY PUNE and RAJIV GANDHI ZOOLOGY PARK, PUNE. The day started off early to fit in the pre-set schedule. We had arranged a bus to accommodate students. The excursion first began with Katraj dairy where student had gone through the process of milk collection, it's processing, pasteurization and packaging techniques along with actual instruments. The students had seen the use of renewable resources of fuel for running the furnace by the milk factory. Various milk based products were being produced in the dairy the process of which was explained to the students in detail. A PowerPoint presentation was shown to students to furnish them with the history and development of the dairy.

In RGZP, students were able to observe much animal diversity in captivity. The students also visited a unique attraction site called snake park which had great diversity of snakes which allowed students to have a closer look at snakes in their artificial habitat. The animals in RGZP were in good conditions and well fed. The native flora and fauna was also deeply observed. Various aspects of animal behavior were studied in the park. The excursion ended on a good note with many fruitful trails, knowledgeable facts and thought provoking take away.

No. of Students of S.Y.B.SC = 34

No. of Students of T.Y.B.SC = 37
