Date: 14th August, 2017

To
The Principal,

Dear

I take this opportunity to introduce you to United Way Mumbai, which is a registered, non-profit organization working actively in the areas of civic awareness, health, safety and environment in Mumbai city.

According to accident data published by the Ministry of Road Transport and Highways for year 2015;

- Road accidents have killed 1.46 lakh people in India
- 33% i.e. 48,348 people belonged to the age group of 15 to 24 years
- 25% i.e. 36,803 deaths were caused due to accident involving two wheelers

As part of our commitment for improving the state of safety in Mumbai city, United Way Mumbai has recently launched a special community impact initiative namely; **UNITED FOR ROAD SAFETY (URS), powered by Castrol**. The project aims to educate and sensitize youth to safer and responsible two wheeler riders. This is in keeping with the rising death toll due to road accident in India.

Under URS project, we propose to conduct the following activities with the students of your college;

- 3-4 hour classroom session on safe/defensive driving followed by demonstration by Trainer & a on wheel assessment for those carrying valid driving license, own vehicle & proper helmet for batch of maximum 30 participants at a time. (Note : We can conduct multiple training sessions in batches of maximum 30 students per batch.)
1. Upon successful completion of the training, all the students will be awarded a certificate jointly issued by United Way Mumbai and the National Safety Council – Maharashtra Chapter.
 2. Formation of " Road Safety Club" of at least 30 enthusiastic student members, who will further undergo another round of advanced training in safe two wheeler riding.
 3. The members of the Road Safety Club will be encouraged and empowered to conduct about 5 awareness activities /drives in the college campus or in the neighbouring community to educate peers and/or community members on road safety.

United Way Mumbai

CSR Partnerships | Payroll Giving | Employee Volunteering | Event Partnerships

Towards the end of the academic year, the members of the road safety club who participated in atleast 3 awareness activities will be given certificate.

Note: United Way Mumbai will support the club members for successful execution of these activities.

Considering the magnitude and urgency of the situation, we are confident that, your college will actively participate in URS activities propagate the noble cause of road safety among the young students of your college.

We thereby request you to kindly suggest a convenient date for conducting a training session in your college and meeting with the concerned professor and student coordinators to discuss the plan of action for formation of a road safety club in your college.

Thanking you and looking forward to partner with your college for improving the state of road safety in Mumbai city.

Thanking you,

Yours truly,

Ajay Govale
