**Subject:** Suggestions/ Recommendations for the syllabus of affiliated University.

Respected sir,

As we know that this year, the revision of the syllabus is taking place. The syllabus for FYBA-Communication skills is going to be a fresh one. In this regard, as taught the subject for last a few years, have a few suggestions on my mind. I would like to bring those to your notice for more comprehensive syllabi of communication skills in English. As I feel there must be a practical part to be included in the syllabus. The suggestions are as follows:

FYBA-Communication Skills in English

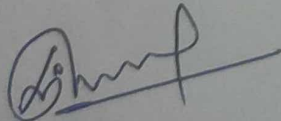

1. Skit writing and performing
2. Presentation skills
3. Elevators pitch
4. Report Writing
5. Memoir and personal Essays

These are a few topics which could be implemented in the upcoming revision of the syllabus.

I would also like to recommend a few more course like other European universities such as post graduate diploma courses to be started in our university. In such cases I would be the one to contribute in syllabus framing and bring the sources to the BOS.

Hope to have made these amendments in the upcoming revision of the syllabus.

Thanking you.

Yours' Sincerely,
