Female Participants:	66
Total Participants:	70

Brief Individual Activity Report:

Pre-lab session was conducted on 12th of August, 2023 at 11:30 a.m. for FYBsc students under the guidance of Ms. Tasneem Baig in Chemistry Laboratory. Teachers explained students how laboratory possess potential risks due to exposure to corrosives, toxic materials, flammable solvents etc. and how little care and adherence to prescribed safety guidelines will help avoid laboratory mishaps and ensure safety.

Further the names of apparatus and it's use, basic rules to be followed in laboratory, sign conventions used in laboratory were also explained. Students were told of how to conduct themselves in laboratory and to follow the laboratory discipline was emphasized upon so as to ensure their safety. To enable them to acquire effective learning experience and guide them produce accurate results with their experiment the event was successfully conducted and concluded.
