## Activity Details if any (Individual):

|                                     |   |
|-------------------------------------|---|
| <b>Details:</b>                     |   |
| <b>Event Name:</b>                  | <b>Inorganic Chemistry presentation</b> |
| <b>Date of the Event:</b>           | <b>11th September to 16 September</b>   |
| <b>Name of the resource person:</b> | <b>Nil</b>                              |
| <b>Male Participants:</b>           | <b>-</b>                                |
| <b>Female Participants:</b>         | <b>28</b>                               |
| <b>Total Participants:</b>          | <b>28</b>                               |
|                                     |   |

## **Brief Individual Activity Report:**

The department of chemistry had organised a one week seminar presentation for academic syllabus in the second week of September 2023 for T.Y.B.Sc students. The seminar was very informative. The aim of conducting seminar was to increase presentation skills, which would help them increase their confidence level from future point of view.

The event was successfully conducted by Ms. Sakeena khaton . The department of chemistry had successfully completed first academic term with this event.
