Committee/Department/Forum: Woman Development Cell

Title of the event: Gender Equality and Woman empowerment

Date: 9th March 2022

Name of the Resource Person: Dr. (Smt.) Kranti Jejurkar

No. of beneficiaries: 150

Short Activity/Event Report:

Woman Development Cell of DRT's A.E. Kalsekar Degree College organized an expertise webinar on "Gender equality and woman empowerment" on 9th March 2022. Ms. Afreen Shaikh (Asst. Prof. Zoology) extended a deep welcome to one and all in particular and extended a warm welcome to the learned gathering. She delivered the thematic introduction of the webinar in a premeditated way.

Ms. Parinita Kumar (Asst. Prof. Zoology) introduced the eminent speaker Dr. Kranti Jejurkar. She is a former principal of Siddharth College of Arts, Science & Commerce Mumbai from year 2001 to 2006; she is awarded with women's Achievement Award 2015 by Konkani Muslim Education Society. She has also written several articles on issues related to education and women; her focus was to make the Mumbai University a "violence free" campus.

The theme set the pace to discuss on the gender related matter. The issues of gender discrimination, social norms and practices, poor education, exploitation and violence influenced the gender blindness of a society. To reflect upon such pertinent context, the webinar attained its required tempo through resourceful deliberations from the speaker. Dr. Kranti articulated on Gender equality as an equal opportunity for all. She categorically put into record society's expectations

for girls and women can limit their opportunities across social, economic and political life. Across country, women and girls still have lower status, fewer opportunities and lower income, less control over resources, and less power than men and boys. She further added, "If we want to envision a gender equal society, we need to begin breaking gender stereotypes in personal life and practice gender equality daily". It was also established through her deliberation that everyone must believe in women's rights issues, gender equality and need to internalise the process. This in return can only ensure respect for women and move towards creating that equal space. It was a very enlightening and inspiring session. The bold propositions by Dr. Karanti instilled a ray of true hope among all to seek for equity gender and empowerment in everyday life.

The plenary session was followed by the interactive session. Numerous questions/ observations were raised and aptly addressed by the eminent speakers and audience/ participants one at a time. It was a vibrant session lauded with relatable discussion and appreciation. The resource speakers had ice breaking deliberations & threadbare discussions on emerging issues on gender and society.

Ms Parinita Kumari (Asst. Prof. zoology) proposed the vote of thanks.

Ms Ameen Shaikh (Asst. Prof. zoology) came up with post webinar announcements. Feedback link was given in the chat box to all the participants for due fill in and submission. Certificate dispatch was assured to be emailed to all the registered participants.
