## Vision

رَبِّ زِدْنِي عِلْمًا

“O My Lord! Increase me in Knowledge.

(Surah Taha 20:114)

رَبِّ اشْرَحْ لِي صَدْرِي

“O Rabb Open for Me My Heart

(Surah Taha 20:25)

O Allah! Indeed, I ask you for beneficial knowledge and acceptable deeds and pure and acceptable provision.

O Allah! Benefit us by that which you have taught us and teaches us  
That which will benefit us and increase us in knowledge  
(Ibn Majah)

O Allah! I seek your protection from the knowledge that Does Not benefit and a heart that does not humble itself and from a soul that is not satisfied and from a prayer not answered (Muslim)

O Allah! Show us the truth as truth and give us the ability to follow it and show us the falsehood and give us the ability to avoid it.

## **Mission**

“Achieving academic excellence, by provide Self-development opportunities, inculcating right moral and social values and developing responsible citizenship”

## **Objectives**

- ▶ To impart quality education that would prepare the students to face challenges with confidence.
- ▶ To impart moral and human values of truth, righteousness, discipline, handwork and team Spirit.
- ▶ To Support education that would be secular, liberal and progressive yet respect the culture plurality.
- ▶ To develop Spirit of inquiry, Scientific temperament and pursuit of knowledge among Students and faculty.
- ▶ To Sensitize the students and create a sense of responsibility towards social and environmental conditions.

# Chairman's Message

**The seeds of an idea sown many years ago have grown into a strong sapling. The endeavour to make education a smooth journey continues...**

I congratulate the Principal, staff and students for the completion of College Magazine – ‘Endeavour’ for the academic year 2021-22. It is a platform for the students to express their creative pursuits which develop originality of thought. The content of the magazine reflects the wonderful creativity of thoughts and imagination of young talents.

The academic year 2021-22 started with fear and uncertainty with many losing their near and dear during the Pandemic. Several students shifted to native places as there was no means of livelihood. Despite the overwhelming consequences of the pandemic, this global crisis has also been an extraordinary time for learning. The educational system during pandemic became adaptable to virtual mode of teaching-learning process. The entire staff and students of our institution left no stone unturned to keep the process of learning going on in these trying and unprecedented Pandemic times. In spite of all odds, the efforts for the wellbeing of the student in particular and local society in general continued.

**“All odds, all challenges of life can be overcome with true faith in Almighty along with strong determination, dedication and perseverance”**

The college continuously strives in not only creating graduates but also responsible young citizens who are able to face outside world and accept any challenge that comes in their way. The college continued its curricular, cocurricular and extracurricular activities in the hybrid mode during the academic year 2021-22. With the dream that each one of our students blossom into a successful human being, we promise to impart education, values to our best abilities to corroborate all round development of our students.

My warm wishes to the Principal, all staff and dear students to keep on moving in this journey on the road of excellence to reach the pinnacle of success. May the blessings of Almighty grace our lives with good health and happiness, allowing every endeavour in the pursuit of excellence to bear fruit.

**Mr. Ahmed Maklai  
-Chairman**

## From the Principal's Desk

Greeting to All..... First and foremost, I appreciate the efforts of the Management, the Editorial team, the content writers, the Publishing team and every anonymous person, who has contributed towards publishing of Endeavour, the College Magazine 2021-2022.

It kept me thinking, about the subject before penning this message. It was the period of Covid 19, that had been challenging and changed, many of our approach to life. As of now, A.E.Kalsekar Degree College is in everyone's awareness, but its journey began in 2000, with a handful of resources, that has till date grown into a full fledged meritorious Institution, catering to the students of Mumbra and nearby regions. The credit is due to the germ of thought, in the mind of the heroes, who have co-ordinated their efforts to make their dream a reality, by building this College.

Now-a-days, we find many of us, in the race of material possession, but remember that, Education is a window, to multiple opportunities, and also works as a tonic to our souls. As we know that –

**An Open Mind can collect more riches, than an Open Purse.**

In today's competitive world, where the mind leads the soul, distressing ourselves through Yoga, Exercise and learning skills of time and relationship management, has gained platform. Most important, is that Praying works as a catalyst to detoxify ourselves from the worldly vices and built our inner strength by setting strong connections with our creator. Education not only satisfies our worldly wants, but also uplifts our Mind to the highest level of spiritual consciousness, where **ME** becomes **WE**, which we have recently experienced during the pandemic, when people all over the world suddenly became aware of the fragility of Earthly life, and accountability of their work. This philosophy of deeds or Karma is mentioned in all religious scriptures and the concept of heaven and hell gained momentum. All this is to control human behavior and their responsibility towards developing a harmonious society. During this critical period of pandemic, people came forward to offer help, either through their services or their wealth thinking.....

Service to Man Is a Service to God.

Spiritual wellbeing is most important, as it liberates our mind and gives clear vision of our existence, whereby removing the Ignorance within Us.....

Next, it is also important to know that Passion to learn will lead to success, at the same time, it's important to understand that, it should not be allowed to grow into madness. Passion will allow us to achieve personal, professional and social goals.

**Allah (S.W.A) says in the holy Quran – Man will not get anything, unless he works hard.**

**(Surah al-Najm / 53:39)**

Last, but not the least, I would like to mention that *Life is not a bed of Roses, rather a bed of hard rocks*. Also, a passing remark to one of the motivational verses of W.H.Davies poem *The Example*, where he speaks of the nature of a Butterfly, he says-

**Whose happy heart has power  
To make a stone a flower.....**

## Editorial Message

*"We can't control the wind, but we can adjust the sails"*

The world faced unprecedented uncertainty and adversity, testing the very foundations of our existence. In the midst of this turbulence, the resilient minds at DRT's A. E. Kalsekar Degree College rallied together to pursue our institutional objectives.

Our mission has always been clear: to impart quality education, nurture moral and human values, and instill a profound sense of responsibility. In the face of overwhelming odds, our collective efforts and unwavering spirit proved that even the fiercest storms cannot extinguish the flame of determination.

Credit goes to the relentless dedication of our honourable Management, the visionary leadership of our Principal, the tireless commitment of our teaching and non teaching staff, the boundless enthusiasm of our Students. Together, we weathered the storm, emerging stronger and more united than ever before.

It's crucial to acknowledge the extraordinary efforts of our students and staff in bringing out this magazine, **"Endeavour 2021-22."** Despite the challenges posed by the pandemic, they demonstrated exceptional teamwork and resilience. Our students poured their creativity into crafting articles, artwork and activities that grace the pages of this publication. Our departments and committees organized various activities, showing their commitment to our college and students.

As we move forward, let us remember that it is not the absence of challenges but our response to them that defines us. The path ahead may still be uncertain, but with the collective determination that courses through our institution, we are well-prepared to navigate whatever challenges lie ahead.

In the spirit of perseverance and growth, we look forward to a future where our endeavours continue to thrive, lighting the way for generations to come.

## **Hon'ble Abdus Salam Rawal**

**Inna lillahi wa inna ilayhi raji'un**

**(Indeed, to Allah we belong and to Him we shall return)**

We express heartfelt condolence on demise of Hon'ble Abdus Salam Rawal, Chairman of Daar-Ul-Rehmat Trust & Al hamd Trust, a noted Philanthropist and businessmen who passed in December 2021 after prolonged illness. His death is a big loss to humanity.

He was a great visionary, an able educationist and skillful administrator. Sir has left a lasting impression on people with his knowledge and thoughts. His helpful attitude, treating all with respect, commitment for the educational empowerment and tireless services for the upliftment of needy within the community are a testament to his high principles.

Sir has a major contribution in the development of Mumbra in general and all the institutions run under Daar-ul Rehmat Trust in particular. In his illustrious career, Sir has left his marks on business community, social and educational institutions. Sir has been involved from the foundation to construction of the entire structure to equipping and beautifying it. As a Chairperson of Governing Body of DRT, Chairperson of CDC of the institution, Sir was at forefront for the development of this institution, striving the wheel and constantly motivating the Trust, Schools and College staff to do their best. His contribution towards the community is unparalleled and it will not be easy to fill the void.

Our sincere condolences to the bereaved family lamenting the irreparable loss. May Almighty give strength to his family and well-wishers to withstand the pain. May Allah S.W.T pardon him and elevate his rank in Jannat ul Firdous. Ameen

## **Mrs Salma Sadiq Hawa**

**Wife of Vice Chairman Mr Sadiq Hawa Sir**

**&**

**Well-wisher -Daar-UI-Rehmat Trust**

**Inna lillahi wa inna ilayhi raji'un**

**(Indeed, to Allah we belong and to Him we shall return)**

We express our sincere condolence on the sudden and sad demise of Mrs Salma Sadiq Hawa Wife of Vice Chairman Mr Sadiq Hawa Sir. We feel the loss of a philanthropist, social worker and a good human being. Her demise is a great loss not only to her family but also to the community as a whole. She was actively involved as member of Board- Hajj Committee and also as a wellwisher of the institution.

Mrs Salma Sadiq Hawa Madam will be remembered for her contributions in educational and social arenas. On behalf of the Management, Principal and Staff of DRT's A. E. Kalsekar Degree College, we extend our heartfelt condolences to the bereaved family. May Almighty Allah grant her Jannat-ul-Firdous (Ameen) and give strength to her family and well-wishers to bear the loss.

A decorative frame with a central label. The frame has a thin black border and a white background. Inside the frame, there is a central label with a black border and a white background. The label contains the text "Curricular Activities" in a bold, serif font. Above and below the text are decorative horizontal lines with diamond shapes in the center. The frame has ornate, curved corners.

College IQAC regularly circulate required Formats related to Teaching Learning, Research and other activities. IQAC collects regular feedback of stakeholders to improve its functioning. Teachers Planner & Record, Lecture Compliance are closely monitored. The IQAC will continue its endeavour in Quality Sustenance and enhancement of the institution.

## **Planning & Development Committee**

The Planning and Development committee was formed to serve the stakeholders during the pandemic, Covid-19. The decisions and measures during the Covid-19 pandemic and necessary steps toward its effects were formed by this committee during the year. This committee worked as an advisory committee to the head of the institution and made arrangements for necessary steps for the institution during the pandemic. The committee made the guidelines both for teachers and students to attend college in offline mode. The committee recommended a few precautionary measures and instruments from management to bring out a properly protected working environment for teachers and students.

The committee arranged the vaccination drives for teachers and parents on the college campus. The orientation for students was conducted for appropriate behaviour during the pandemic. The lectures in the offline mode were also advised and monitored by the committee for better care and protection from covid 19. The committee overall worked for the desired behaviour and precautionary measures during the pandemic.

The committee handled the responsibility of pandemic time for a better working environment, student and teacher security, timely check on campus sanitation, vaccination drive as advised by the government

of India from time to time, and enlightening students and teachers on acceptable behaviour during the time. However, this committee served as an Ad Hoc committee to the College management and the Principal.

## **Research Committee**

Research is a pursuit integral to progress in any society. Its creative potential is immense and has been instrumental in bringing about constructive change in societies in innumerable ways. Research, as an organized and systematic exercise, has been contributing to bring humanity closer to relevant knowledge that meaningfully benefits the society. Research Committee of DRT's A. E KALSEKAR DEGREE COLLEGE, as a premier institute of higher learning, is committed to cultivating a meaningful research environment and expanding its benefit to the larger society. The college has institutionalized a Research Committee to specifically focus on various areas of research. Research Committee tries to help to fulfil the vision of the college and also eager to create and promote research culture among the teachers and students.

### **1. Research Orientation Program:**

Research Committee of DRT's A.E. Kalsekar Degree College of Arts, Science and Commerce organized their first event, Research Orientation Programme, on 6<sup>th</sup> October, 2021, Wednesday. 100 of participants were present during this programme. The main goal of the programme is to promote research and to improve research awareness among all the faculty members and students.

Workshop on Research Methodology for TYBBI Project has been conducted on 15<sup>th</sup> January 2022. Ms. Tauqeer Fatima has guided the students on research work thoroughly.

Insurance quiz was conducted at collegiate level to create awareness about insurance industry on 19<sup>th</sup> January 2022

Poster making competition was organized in college campus in order to give students the opportunity to share their thoughts, ideas, creativity with the help of posters. The theme was “Financial System” on 21<sup>st</sup> February 2022

During our college's annual cultural fest PARVAZ (3<sup>rd</sup> March 2022), Riddle competition was organized in collaboration with cultural committee at inter collegiate level. In which students from various colleges participated.

Students were also encouraged to participate in the activities organized by other departments/committees such as (NSS/DLLE/Sports etc.)

In both semesters Remedial lectures were conducted for slow learners. Class test/Group discussion/Viva were also conducted.

Mentoring sessions were organized for students. Apart from regular mentoring sessions Counselling session was also organized for third year students by Dr. Miraj Mir.

Term ended with semester end examination.

I thank almighty for all his blessings to our institution and I am great full and highly obliged towards our management, Principal and IQAC for their constant support in all the initiatives, achievement and success.

## Department of Management Studies

Department of Management Studies of A.E. Kalsekar Degree College organized range of activities to improve the industry academia interaction and to innate management skills amongst the students of BMS. The curriculum helped to accomplish the ultimate aim of BMS, viz., develop effective human being, technical & conceptual skills, accompanied them with comprehensive knowledge so as to perform the core functional areas of management Brief summary of the Departmental activities organized:

- Organized a seminar on **Financial Literacy** on 18 December, 2021 by Dr. Mitesh Seth CEO, Coach and Board Member of CASI to increase the awareness of various investment options available and to encourage the students to start saving the money and investing the same to grow the money.
- Organized Guest lecture on "**Marketing in New Millennium**" to orient students with the various career opportunities available in the prevailing market condition. The guest speaker for the same was Dr. Satvinder Singh Bedi, associate professor at Guru Nanak Institute of Management Studies, Matunga.
- Organized National Level **Banking Quiz competition** on 19 July, 2021 through Google forms.
- Organized Seminar on **Resume Writing & Interview Preparation** on 29 January, 2022 to enlighten the students with the new trends in resume preparation and the SOP's to crack interviews. The session was delivered by the guest speaker Ms. Madiha Mumtaz HR Manager KVB Staffing Solutions Pvt. Ltd.
- Conducted a webinar on **Career Opportunities in Finance field** on 27 January, 2022 to create awareness amongst students regarding the career options and the job positions available in finance field. The session was delivered by Mr. Shodhan Michael, AVP at Sahani Group.
- Organized **Intra Collegiate management fest "Euphoria"** to inculcate the sense of team work and team building amongst the students. Various events were conducted and students from all the departments participated.
- **Mentoring & Remedial** sessions were conducted for needy and weak students to bring them in main stream.
- **Assignments & tests** were been given to improve the knowledge and inculcate writing skills amongst students.

With the active and constant support by Management & Principal the Department of Management is leading towards conducting more innovative and effective activities for the progression of students.

## Department of B.Com (Accounting & Finance)

Department of Accounting and Finance of A.E. Kalsekar Degree College aims to exaltation students' knowledge and skills that will always upgraded with recent trends in the subject, like a stepping towards augmentation of proficiency among the students.

Brief summary of the Departmental Activities during the Academic Year 2021-2022.

Department has organized **Orientation Programme** at the starting of the year to inform the students about college facilities, rules and regulations and all the important aspects of the institution.

Department of BAF has organized a competition for the Subject Proficiency and knowledge development along with the enrichment of the creative skills of the students that will led a way of motivation among them to bring a new endowing society by competitions like, **Accounting BINGO and 3D Model Making Competition** on 23<sup>rd</sup> December 2021 and 24<sup>th</sup> March 2022 respectively.

Organized some **Guest Lecture (Online on Zoom)** on "Role and Importance of the Financial Markets in the contemporary world" and "Career Development: With the Reference to the Interview Techniques" by Dr. Amit Mirji from First Grade Government College, Karnataka and Dr. Pallavi from First Grade Government College, Bengaluru respectively in the month of March 2022. These lectures facilitated students to learn different techniques of interviews and develop their caliber along with the financial investment planning through various sources of markets. These techniques was to empower and enlighten them with their skills and recent markets bonds.

Mentoring sessions were conducted for the needy students as and when required.

Intercollegiate 3 Truth and 1 Lie in Accounting Competition (online) was organized in which 25 students from different colleges successfully participated in the Parvaaz.

The Department had tried to use appropriate alternative teaching methodology in online as well as offline lectures despite the moment of hybrid mode through various conformist teaching method. To make the learning easier for the students the department conducted Remedial lectures, doubt solving sessions, Test and gave an assignments.

With the support of the Management and the Principal the Department of Accounting and Finance is trying its best to convert the followers in to a leaders in this contemporary competitive world.

## **Department of M.Com**

Department of (M.Com. Advanced Accounting & Business Management) of A.E. Kalsekar Degree College organized range of activities to improve the industry – academia interaction. With a Vision to develop students in an efficient manner and to improve their management skills the department is focused. Brief summary of the Departmental activities organized:

- Orientation program for the students to make them well worse with the curriculum.
- A Guest lecture on Marketing in a New Millennium by Dr. Satvinder Singh Head of the Department of Guru Nanak Khalsa College of Arts Science and Commerce On 20<sup>th</sup> January 2022.
- Conducted a webinar on Career Opportunities in Finance field on 27<sup>th</sup> January, 2022 to create awareness amongst students regarding the career options and the job positions available in finance field. The session was delivered by Mr. Shodhan Michael, AVP at Suhani Group.
- A Case study session for M.Com students for 2 days from 7<sup>th</sup> February and 8<sup>th</sup> February 2022 was conducted. By resource person Prof. Sayed Shakila Nawabjan for M.Com students. Lectures conducted on Topics covered on 1. Marketing Case for website traffic growth. 2. The reason why Startups become so popular in 2021

3. The concept of Green Marketing with examples and benefits.

- Organized an Intra Collegiate fest “Prayas” on 4<sup>th</sup> April 2022. To inculcate the sense of team work and team building amongst the students. Various events were conducted and students from all the departments participated.
- Organized a Four days’ workshop on NET/SET Exams from 19<sup>th</sup> April 2022 to 22<sup>nd</sup> April 2022. A grooming session and preparation for our students to face the competitive exams a guidance session to be conducted for the M.Com students and other final year graduates students.
- This session was delivered by our In-house Faculty as a resource person Mrs. Arjumand Shahid Siddiqui madam, Head of the department of M.Com of our college and who has dedicated her life in teaching more than two decades of her life

In shaping and building the career of thousands of students life through her knowledge Experience to the students Siddiqui madam was the resource person for Economic

Siddiqui madam has covered all the laws and theory and concepts about economics relevant aspects related to NET/SLET exams on 19<sup>th</sup> April 2022,

Second day session on 20<sup>th</sup> April 2022. By Dr.Zahid Ansari Sir who is a renowned professor for more than 15 years dedicated his life in teaching and well-known for his Knowledge and experiences and subjects experts a Motivational Man who teaches Accounting and Finance subjects. Sir has covered all the accounting related principles and systems.

On 21<sup>st</sup> April 2022 a session conducted by Ms. Tauqeer Fatima Surat Wala madam she is not only a brand product of our college but besides that she is a Gold Medalist from Mumbai University in Economics and also NET / SET qualified twice. Tauqeer Fatima ma’am has covered all the logical and reasoning problems of paper one.

On 22<sup>nd</sup> April 2022. on the fourth day of the workshop was been continue by Dr. Vijay Srivastava Sir Who is not only departmental head of Arts from our A.E.Kalsekar College but more than a decade in teaching field and also more than a decade worked in Corporate world. Dr. Srivastava Sir is an Author and a conveyor of Research Conferences and more than thirty five research papers published, National and International Conferences.

Dr.Srivastava Sir has covered all the process, methods, types' tools and techniques of Research Methodology. The objective of this four days workshop is for those who aspire and dreams to be in the academic field in future

- Mentoring & Remedial sessions were conducted for needy and weak students to bring them in main stream.
- Assignments & Internal exams were been conducted to improve the knowledge and inculcate writing skills amongst students.
- Research projects guidance's session and presentations and Viva conducted for M. Com II year students. To enhance their skills and develop interest towards research and through research projects preparing them to face the competitive world and creative thinking and come out with innovative ideas to solve the problem and with the definite solutions.

With the active and constant support by Management & Principal the Departmental Head of M.Com (PG) is leading towards conducting more efficient and innovative programs for the development of students and faculty.

# **Science & Infotech**

## **Department Of Botany**

Department of Botany 2021-22 had planned activity focused on blending technological approach as a current necessity for active engagement of students to facilitate them for better understanding of subject and generating interest in the subject.

The department of Botany had organized class power-point presentation on 21<sup>st</sup> October 2021 and 22<sup>nd</sup> October 2021. In all 15 students from F.Y.B.Sc had participated in the event. Students actively participated in the activity and exhibited their presentation skill. Department had organized workshop on Bio-composting on 14<sup>th</sup> December in collaboration with Manushrushti organization. Mr. Harshal Tambhat focused on importance and the detail process of composting in the session. Session was followed by demonstration and training to students on setting up of composting pit.

The department of Botany had organized power-point competition on 13<sup>th</sup> March 2022. In all 22 students from F.Y.B.Sc had participated in the event. Topics was based on plant physiology, Students actively participated in the activity and exhibited their presentation skills. Virtual excursion to Sanjay Gandhi National park was conducted on 16<sup>th</sup> March on zoom platform for F.Y.B.Sc class. This session helped learners improve their Practical Plant Identification. Two students of F.Y.B.Sc had participated in university research convention "Aviskar" organized by University of Mumbai.

Department in both semesters conducted remedial lectures for slow learners thus helping them overcome their difficulties related to the subject. Online tests were conducted for students to familiarize them with the revised online pattern of examination thus helping them improvise their academic performance. Department also had conducted mentoring session for the learners to provide them necessary support for overcoming their limitations and focusing on their development. Department exhibited student centric approach through its activity. Students were provided with PDFs, PPTs and video links (virtual practical) through online modes for facilitating and comforting learning for students.

## **Department Of Chemistry**

The Department of Chemistry serves as platform to develop the skills of the students. The aim of conducting the Chemistry Department is to create knowledge among students about current affairs of chemistry, building interest in innovative research and to make them career oriented. The department has successfully completed the following events by online & offline mode. The different events were conducted by the department individually as well as in collaboration with the Zoology Department. The details of the events are:

### **1. Online Career Guidance lecture on "Career Options after B.Sc**

On 18th August 2021, the Department of chemistry had organized a guest lecture on the topic career guidance after B.Sc. (online mode) to enrich the students with the knowledge of the career after B.Sc. and hence enable them to comprehend the topic better. At the end, the lecture was opened for question and answer session.

### **2. Powerpoint Presentation of Inorganic Chemistry**

The Department of Chemistry had organized a one week PowerPoint presentation for academic syllabus in the month of September 2021 for TYBSC students. The presentation was very informative. The aim of conducting the seminar was to increase presentation skills of students from graduate level which increased confidence level and presentation skill of students for future point of view.

### **3. Poster Presentation Competition**

On 13th December 2021, the Department of Chemistry had organized an offline one day poster presentation competition on the given topics related to Chemistry themes. The objective of the competition was to address the importance of chemistry among the students which inspired them to think and work creatively. Most of the students participated enthusiastically and the event was carried out successfully.

### **4. Written Quiz Competition**

Quiz competition in written format was held on 14th December, 2021 by the Department of Chemistry by offline mode. The aim of conducting this event was to evaluate knowledge of the participants and make

them familiar with the prospects of quizzes and objectivity of questions. The level was kept moderate to tough with respect to the basics of Chemistry. This event was a great success with the participation and volunteers.

#### 5. Reduce, Reuse and Recycle (3R's) of Plastic waste (Open discussion)

On 24th January 2022, the Department of Chemistry in collaboration with the zoology department had successfully completed one day open discussion an online event by discussing with the students on 3R's i.e. Reduce, Reuse, and Recycle of Plastic waste. Benefits of 3R's were taught to students and asked to focus on minimizing the plastic waste. Students shared their opinions in contributing to a safe environment by taking certain measures by themselves.

#### 6. Advertisement - Flavors and Aroma

The Department of Chemistry in collaboration with the Department of Zoology had organized 'Advertisement -Flavors and Aroma' on 25th January, 2022. The event was online where students presented advertisements related to flavors and aroma with respect to chemistry. The main motive was to build courage within them for expressing their thoughts in an impressive and attractive manner to win the heart of spectators.

#### 7. Speak up on 'What's your element?'

On 27th January 2022, the Department of Chemistry in collaboration with the Zoology Department had organized speak up on 'What's your element?' The event was successfully carried out on online mode. The main aim of the event was to create awareness of a particular element about its ongoing research, recent studies and its applications in daily life.

#### 8. One day Online Guest lecture Webinar on 'Myth busting Ophidians'.

On 28th January, 2022 one day guest lecture webinar on 'Myth busting Ophidians' by Mr. T.V. Bicheesh Balan was organized by the Department of Chemistry in collaboration with the Department of Zoology. It was an online mode webinar. The myths related to snakes and factual information of snakes was explained by him. The knowledge of students was also tested by taking a short quiz. Viewers clarified their doubts and questions and the event was made successful.

#### 9. Essay Writing ( Theme :Covid - 19)

An essay writing competition was organized by the Department of Chemistry in collaboration with the Department of Zoology on 29th January, 2022. The event was arranged online where the students had written essays on the spot on the given topics related to Covid - 19. The aim was to check the awareness of students related to Covid vaccines, its metabolic activities, impact of Covid-19.

#### 10. Seminar of Inorganic Chemistry

The Department of Chemistry had organized a one week seminar presentation for academic syllabus in the first week of February 2022 for TYBSC students .The seminar was very informative. The aim of conducting the seminar was to increase presentation skills of students from graduate level which increased confidence level and presentation skill of students for future point of view. The Department of chemistry had successfully completed a second academic term on hybrid mode for 2021-22.

#### 11. Chemistry Day: Theme - Seminar on Scientific Discoveries and Innovation

The Department of Chemistry on 23rd February, 2022 on account of Chemistry Day celebration had organized an event with a given theme where students had put lights on the scientists, their discoveries and innovations. The main objective was to encourage and impose knowledge enhancement in the field of research, discoveries, innovations and inventions. The event was successfully carried out.

#### 12. Online Career Guidance lecture on "Career Options after B.Sc

On 26th February 2022, the Department of chemistry had organized a guest lecture on the topic career guidance after B.Sc. (hybrid mode) to enrich the students with the knowledge of the career after B.Sc. and hence enable them to comprehend the topic better. At the end, the lecture was opened for question and answer session.

### 13. Seminar of Analytical Chemistry

The Department of Chemistry had organized a one week seminar presentation for academic syllabus in the first week of March 2022 for TYBSC students. The seminar was very informative. The aim of conducting the seminar was to increase presentation skills of students from graduate level which increased confidence level and presentation skill of students for future point of view.

The remedial lectures and tests of every subject were conducted regularly. Assignments were given to the students. Teachers conducted online and offline mentoring sessions for the students. Mentoring was done in groups as well as individually. Practicals were conducted offline for the term II. The Department of chemistry had successfully completed the first academic term in online mode and second academic term in hybrid mode for the academic year 2021-22.

## **Department Of Zoology**

The Department of Zoology serves as a platform to develop the skills of the students. The aim of conducting these events is to create knowledge and awareness among the students, developing interest in innovative research and to make them career oriented and update their knowledge. The department has successfully completed the term via online and offline mode in this pandemic situation. Some of the events were conducted online and some were conducted offline depending on the Covid conditions and Government guidelines. The details of the events are:

#### 1. Poster Presentation Competition:

The Department of Zoology had organized a poster presentation on 20th December 2021. It was conducted offline. Total number of participants were 39. The aim of conducting Poster presentation in colleges is to ignite the fire of imagination and creativity in the students.

#### 2. Power Point presentation Competition:

On 20<sup>th</sup> Jan 2022, the Department of Zoology had successfully organized a power point presentation competition via online mode on Zoom platform. In spite of being an online event, 47 students participated. The aim of organizing this event is to improve their knowledge in subject of zoology as well as overcome the fear of speaking.

#### 3. Open Discussion:

On 24<sup>th</sup> Jan 2022, the Department of Zoology in collaboration with the Chemistry department had successfully organized an open discussion between teachers and students on Reduce, Reuse and Recycle (3R's) of plastic waste via online mode on zoom. 44 students participated. Among the teachers - Parinita Kumari, Afreen Shaikh, Shaikh Nusrat Jahan put their views regarding the above topic. Later the students were given a chance to put forth their views. The aim for organizing this open discussion is to make the students aware regarding plastics usage and different ways of minimizing the plastics in their daily life.

#### 4. Advertisement Competition:

The Department of Zoology and Chemistry had organized an Advertisement competition on Flavors and Aroma on 25th January 2022. It was conducted online. Total number of participants were 68. The aim of this event is to build up courage in students for expressing views and thoughts.

#### 5. Speak up Competition:

The Department of Zoology and Chemistry had organized a Speak up competition on 'what's your element?' On 27<sup>th</sup> January 2022. It was conducted online. Total number of participants were 45. The aim of this event is to create awareness of a particular element about its ongoing recent studies and research.

#### 6. Webinar on "Myth busting Ophidians"

The Department of Zoology and Chemistry had organized a webinar on "Myth busting Ophidians" on 28<sup>th</sup> January 2022. It was conducted online. Total number of participants were 50 by Mr. T.V. Bicheesh Balan. The aim of conducting this event is to eradicate all myths, among masses regarding snakes.

## 7. Essay Writing Competition:

The Department of Zoology in collaboration with Chemistry had organized an essay writing competition on 'Covid -19' on 29<sup>th</sup> January 2022. It was conducted online. Total number of participants were 28. The aim of organizing this event is to check the knowledge of students regarding covid-19, its metabolic activities and vaccine related to it.

## 8. Seminar:

The Department of Zoology conducted a seminar among the students on topic Genetic Engineering, Water Waste Management and Wildlife Classification. The students were asked to read the topic and explain on Black board in offline classes from 15<sup>th</sup> to 20<sup>th</sup> February. The aim of organizing this type of event is to create confidence among students.

## 9. Quiz Competition:

The Department of Zoology had organized a Quiz Competition on 24<sup>th</sup> February 2022. It was conducted offline in the seminar room. Total number of participants were 36. The aim of organizing such an event is to test the learners Knowledge about biodiversity and basic zoology.

The remedial lectures and tests of every subject were conducted regularly. Assignments were given to the students. Teachers conducted online and offline mentoring sessions for the students. Mentoring was done in groups as well as individually. Practicals were conducted offline for the term II. As per the Covid-19 protocols, Excursion of the classes FY, SY, TY BSc were not held hence projects work were allotted to them and collected by the department.

Zoology Department independently and in collaboration with Chemistry Department had conducted many events in total for the betterment of the students. Such departmental events on different topics made the students confident, increased their knowledge, created awareness among them. The purpose of organizing such activities in the department is always to foster the development of students. The department successfully completed the academic year 2021-22.

## **Department of Information Technology**

The department of Information Technology conducted a no of activities during the academic year 2021-22. Details of the activities organized are as under the department.

- Motivational Guest Lecture: Motivational Program for IT student has been organized on 6<sup>th</sup> Dec 2021. Resource person for the event was Mr Shahid Mirza. Program was beneficial and inspiring for the students.
- E-Waste collection: The department conducted an E-Waste collection program from 20 December to 23 December 2021. This was a 3-days activity, in this activity we had collected E-Waste from the students and staff members.
- IT Quiz Competition: The department conducted an IT Quiz competition on date 24 December 2021. In this competition 27 students were participate.
- Logo-design competition: The department conducted an Logo design completion on date 24 December 2021. In this competition 4 students were participate.
- Bridge Course: IT department successfully organized a bridge course from 10 January 2022 to 15 January 2022. This course was conducted by Mrs. Archana Mishra, Mrs. Megha Sharma, Mrs Saba Ansari, Ms. Sayyed Juveriya. The session saw an overwhelming response with 40 participants from students.
- Webinar on "Cyber Security": Department successfully organized a webinar on "Cyber Security", on 31<sup>st</sup> January 2022. The speaker, Ms. Sugandha Dani is a renowned Cyber Security expert. The session saw an overwhelming response with 118 participants from students, faculty and non-teaching staff from various departments of A.E.Kalsekar Degree College.
- IT Fest "Mindspark": The IT department successfully organized one day inter-collegiate Fest "MINDSPARK" (Hybrid mode) on 22<sup>nd</sup> February 2022. Mr. Sadique Hawa (Vice Chairman of AEKDC) was invited as Guest of Honor and Dr. Parveen Khan (Principal of AEKDC) also marked her presence in the event.

MINDSPARK includes various events like:

- Speed Typing
- Stumble Guys
- Poster Presentation
- IT Project Model
- Customized Emoji
- 2 Minutes to win
- Web designing
- Brain Teaser
- Tower of Hanoi
- Gaming Montage Editing
- This year MINDSPARK received an overwhelming response in all events and was a magnificent success.

## **Science Forum**

The Science forum of A.E Kalsekar Degree College organized several events with a noble mission to promote science education not only amongst the students of natural as well as biological sciences but to disseminate the knowledge of basic science amongst the students across different disciplines.

### **1. Extempore**

The Science Forum had organized an Extempore Competition on 18<sup>th</sup> December 2021. The aim of this competition was to make students confident and better orators so that they can fearlessly express their views on any topic. The event was judged by Dr. Misbah Shaikh and Ms. Parinita Kumari.

### **2. Power Point Presentation Competition.**

On 24<sup>th</sup> December 2021, Science forum had successfully organized power point presentation competition to enhance the presenting skills of the students with creative power point presentation and also to enhance their knowledge about various topics from different branches of science. The event was judge by Dr. Misbah Shaikh and Mr. Mahmood Khan.

### **3. Seminar on 'Latest Development in Cancer Research and Treatment'.**

On 25<sup>th</sup> February 2022, Science forum had successfully organized a seminar on the topic of world cancer Day. The aim of conducting the seminar was to improve the basic knowledge of students to that particular subject. Students from all the classes attended the same. The event was judged by Ms. Humera Jalgaonkar and Dr. Rupesh Dhruvanshi.

### **4. Flower Arrangement**

On 3<sup>rd</sup> March 2022, Science forum in collaboration with the cultural committee organized an inter-collegiate competition flower arrangement. The aim of the competition was to make students confident about their creative ideas. The event was judged by Ms. Parinita Kumari.

### **E-poster Competition**

On 3<sup>rd</sup> March 2022, Science forum in collaboration with the cultural committee organized an inter-collegiate competition e-poster. The aim of the competition was to make students confident about their creative ideas and convey certain types of information according to the knowledge. The event was judged by Dr. Nusrat Jaha.

### **Still Life Drawing**

On 3<sup>rd</sup> March 2022, Science forum in collaboration with the cultural committee organized an inter-collegiate competition still life drawing. The aim of the competition was to make students confident about their creative ideas and their drawing skills. The event was judged by Ms. Humera jalgaonkar.

Science forum independently and in collaboration with the Culture committee had conducted six events to enhance the learning process of students. Such activities have brought social skills, intellectual skills, personality progress and character appeal among students. The purpose of organizing such activities in the department is always to foster the development of students. Science forum successfully completed the academic year 2021-22.

# **Extension Activities**

## **National Social Service (NSS)**

The Academic year for 2021-22 started in June. The session started with an online session on yoga, which was held on 21<sup>st</sup> June 2021 on international yoga day. This session made the participants aware about the importance of yoga in life and for a healthy lifestyle. On 29<sup>th</sup> July 2021, NSS unit conducted a relief camp for flood affected people in Konkan region in this camp the items of basic needs like clothes, food etc. were collected to be distributed in flood affected Konkan region. Institution celebrated 75<sup>th</sup> Independence Day on 15<sup>th</sup> August 2021 with several events and activities like speeches by volunteers. This event was organised offline in the campus as well as in online mode. Total 49 volunteers out of which 32 were female and 17 were male who took part in the online event and total 07 Volunteers out of which 02 were female and 05 were male took part.

In the First week of September events like online Thalassemia awareness session on 1<sup>st</sup> September 2021 Total 27 volunteers took part in this lecture Among which 16 were female and 17 were male, A blood donation and Thalassemia detection camp was organised on 4<sup>th</sup> September 2021, This camp was organised with collaboration of NSS unit with triumph foundation, Thane. Many individuals from college staff, students as well as nearby vicinity donated blood around 22 Units of blood were collected. A walkathon was organised by NSS unit with collaboration of the sports department of college on 4<sup>th</sup> September 2021 in which a small walk was conducted in a nearby area to create awareness on fitness.

NSS day was celebrated on 24<sup>th</sup> September 2021 on this occasion an online seminar was organised by the NSS unit to give information about NSS. 2<sup>nd</sup> October 2021 was celebrated as Gandhi Jayanti on the occasion of birth anniversary of Mahatma Gandhi (the father of nation) an online session was organised on nonviolence and knowledge about gandhian principles. On 9<sup>th</sup> March 2022, WDC had successfully organized guest lecture via online mode on Google Meet. In spite being online event, 101 students participated. The aim of organizing this event is to create awareness among girls and women. The speaker Dr. (Smt.) Kranti Jejurkar discussed on the gender related matter. The issues of gender discrimination, social norms and practices, poor education, exploitation and violence influenced the gender biasness of a society.

Women Development Cell had conducted four events in total for the betterment of the girl students and female staffs. Such Committee events on different topics made the girl students confident, increased their knowledge, created awareness among them. The purpose of organizing such activities in the committee is always to foster the development of students. Women Development Cell successfully completed academic year 2021-22.

# **Extra Curricular Activities**

## **Nature Club**

Nature club each year plan its activity aiming to align with its objective to develop sensitive attitude of learners towards nature/ environment. Academic year activity commenced with online membership in month of September 80 members in all from all faculties have registered in the club. Nature club had organized online photography competition for all faculties on 11<sup>th</sup> September to 14<sup>th</sup> September 2021 on following themes:

- Magnificent Mumbra Hills
- Beauty of Mangroves
- Elements of Nature
- Environmental Problems in Mumbra

In all 25 students from all streams participated and exhibited their photography skills. Students had exhibited their photography skills through this competition. Nature club constantly aims to inculcate interest among students from all faculties towards environmental related activity.

Nature club and NSS Unit in Collaboration with Paryavaran Dakshata mandal, Thane had organized film screening on Water management on 12<sup>th</sup> March 2022. This event was conducted through online screening on Google meet. Film screening was organized as this is a great resource for learners as it enables them to understand concepts without the barriers and create impact on students mind. Students after the session were motivated to effectively implement water management at local level thus motivating them towards their social responsibilities.

## **Cultural Committee**

Cultural Committee organized various events during the first semester period it includes 14 Competitions which is Cooking without Fire, Poster Making, Retro Day etc. The Committee is always trying to help the students to enhance and showcase their Talent and Skills in the competitive world by participating in events organize in University Youth Festival, Intercollegiate competitions. Ahead to this during the second semester of the academic we organized an Annual Intercollegiate “PARVAAZ”.

On 3<sup>rd</sup> February 2022, Retro Day was celebrated as a memory of the olden days which encouraged the students to meet the enrich times and styles of late 80s era. (Mimicry)

(Cooking)

Further “PARVAAZ” was conducted on 2<sup>nd</sup> and 3<sup>rd</sup> March 2022 in college premises. The objective of PARVAAZ was to provide a platform to learn and compete the skills of the learners. Intercollegiate PARVAAZ consisted of 24 events namely, Fine Arts, Performing Arts, Eco-friendly Events, Literary Forum, Socio-Economic Forum, Science Forum, Commerce Forum and IT Forum in which participants from different colleges of Mumbai have participated.

In this Academic year 2021-22, Cultural Committee has enrich level of platforms to their students at Collegiate, Intercollegiate and University level to inbuild an essence of confidence and skills enhancement.

Thus, the activities organized by the Cultural Committee was not possible without the support of our Management and guidance of our Respected Principal Dr.Parveen Khan and even without the support of our Faculty members, non-teaching staff, Committee Members and Volunteers whose enthusiastic support led a huge success of this year.

## **Alumni Association**

Alumni Association of DRT's A. E Kalsekar Degree College is an association of prominent alumni of the college. Every academic year Alumni Association organises events in order to initiate fruitful interaction between college and alumni. Major aim of association is to bring all old students under one vibrant forum for exchange of experience and knowledge in order to develop a strong network. Academic year 21-22 started with approx. 100 registered alumni. Alumni Association successfully conducted following activities.

## **Library**

Our college has an excellent Library, containing large number of books, periodicals and journals. The academic year 2021-22 started with new aspiration to make the Kalsekar Degree College Library as one of the better than the best within the colleges affiliated to University of Mumbai.

**Following are the highlights of the library during this academic year**

- Number of books added during the year is 984 to make the total 26259
- Total number of books in Book Bank Section is 7825
- Book bank facility is availed by 66 students and 396 books have been issued
- Library has subscribed 42 journals
- Library has subscribed N-list membership to access E-Books and E-Journals for Teachers and Students.

Following Orientation Programs were organized by library staff for the new students of the College and College staff

- 28<sup>th</sup> Sep. 2021 for FYBBI, FYBAF, FYIT, FYBA, FYBSC, FYBCOM-A students
- 28<sup>th</sup> Sep. 2021 for FYBCOM-B, FYBMS students
- 28<sup>th</sup> Sep. 2021 for MCOM students
- 15<sup>th</sup> Dec. 2021 for Teachers - Use of E-resources

I express my gratitude towards Dr. Parveen Khan (Principal) for extending her full support and guidance for the activities of the library. I offer my sincere thanks to all the members of the library committee for their cooperation. I take this opportunity to thank my library staff and office staff for their cooperation and help in the smooth functioning of the library during the academic year.

A decorative frame with a central title and diamond ornaments. The frame is rectangular with rounded corners and a double-line border. Inside the frame, the title "Articles & Art Work" is centered. Above and below the title are horizontal lines with diamond ornaments. The top line has a central diamond flanked by two smaller diamonds, and the bottom line has a central diamond flanked by two smaller diamonds. The frame is set against a white background.

# **Articles & Art Work**

## **A Risk Worth Taking**

Dreams die hard when they cannot come true,  
Seeing them burn, aches your heart too.

Truth be told, sometimes we do feel alone,  
When nothing makes sense, no people no phone.

You go into the shell, hide, or fake a smile,  
Their eyes get heavy, but the tears freeze for a while.

You overthink the matter until it becomes too big,  
But little did you know, it is your own grave you dig.

You need to know what makes your soul smile,  
It is all about peace, feel your heart for a while.

Take a pause, take a break, ask yourself what you want,  
For the trees of your dream, you need to seed in a plant.

Focus on your goals, do not get into the mess,  
Take that risk and forget the rest.

-Saniya Ejaaz Shaikh  
T.Y. BCOM(B)

## **The Heart**

In the heart's warm embrace, like the radiant sun's ray,  
The closer to someone, the harder to stray,  
In its orbit, we dance, sometimes in disarray,  
For love's fiery passions can lead us astray.

With emotions ablaze, practicality blinks,  
In the symphony of love, reason sometimes shrinks,  
Yet, should it falter, even just a single time,  
A lifetime's shadow can dull a heart's prime.

-NAIK FUZAIL,  
TYBAF

# **The Paradoxes of Immortality**

Exploring Good and Bad, Right and Wrong, Success and Failure, Hunger and Appetite

## **Introduction**

The concept of human immortality has long been a subject of fascination, imagination, and philosophical inquiry. What if humans were to become immortal? While such a scenario remains firmly in the realm of science fiction, it offers a unique opportunity to examine fundamental aspects of human existence, such as the notions of good and bad, right, and wrong, success and failure, and the experience of hunger and appetite. Immortality would undoubtedly redefine our understanding of these concepts and introduce a host of paradoxes.

## ***Good and Bad***

In a world where humans are immortal, the traditional notions of good and bad may undergo a profound transformation. One might argue that immortality would compel individuals to seek out experiences and adventures, some of which could be deemed morally questionable. Without the spectre of death, the consequences of one's actions may seem less significant, potentially leading to a loosening of moral constraints. Conversely, the absence of death could inspire a greater sense of responsibility, as the consequences of one's actions would persist indefinitely, impacting the present and the distant future.

## ***Right and Wrong***

Similarly, the concepts of right and wrong may evolve in a world of immortals. The moral frameworks that guide human behaviour are often influenced by the brevity of life and the anticipation of judgment or consequences beyond this lifetime. With immortality, individuals might be inclined to explore unconventional moral perspectives, challenge societal norms, and question the need for ethical constraints. At the same time, they may develop a heightened sense of moral duty, as their actions could potentially influence society for eternity.

Success and failure are intrinsically linked to mortality. The fear of death often drives individuals to achieve their goals, make a mark on the world, or secure their legacy. In an immortal society, the urgency of these pursuits may diminish. People might have the luxury of endless time to achieve their ambitions, leading to a reevaluation of what constitutes success and failure. The definition of success might shift from achieving a finite set of goals to continuous personal growth, wisdom, and contribution to the collective human experience.

## ***Hunger and Appetite***

Hunger and appetite, both for sustenance and desires, are powerful motivators rooted in the mortal human experience. Immortality could alter the nature of these desires profoundly. The need for sustenance might persist only as a nostalgic memory, as immortals would no longer face the threat of death by starvation. Once driven by the scarcity of time, desires he scarcity of time, may lose their urgency, potentially leading to a more balanced, measured pursuit of gratification.

## **Conclusion**

The hypothetical scenario of human immortality raises thought-provoking questions about the very essence of human existence. It challenges our understanding of good and bad, right and wrong, success and failure, and the fundamental experiences of hunger and appetite. While immortality offers the promise of endless time, it also

Introduces a host of paradoxes, pushing humanity to reevaluate its values, morals, and priorities. In contemplating these questions, we gain a deeper appreciation for the intricate interplay between mortality and the fundamental aspects of what it means to be human.

*By Sayyed Maveen Ali*

## **Lessons from Covid 19 Pandemic**

Corona Virus which is commonly known as COVID-19 is an infectious disease that causes illness in the respiratory system in humans. Corona Virus has affected our day to day life. This pandemic has affected millions of peoples, who are either sick or are being killed due to the spread of this disease.

Covid 19 Pandemic continues, this time dressed up as a relentless pandemic, a mere virus that is bringing country after country down on its knees. The continuous instructions of handwashing and maintaining social distances are coming from central and state governments.

What a strange time to live in. Mike Davis has given an insightful piece on the tragedy unfolding around - especially how the rich people in all societies will secure themselves even in this pandemic whereas the poor, the less resourceful will be left to their own devices.

The virus has revealed the deep structures of social inequities - the difference between survival and disaster is not just the exposure to Covid19 but the kind of medical care one has access to, the capacity to self-quarantine. Self-isolation almost seems to be a luxury for those who don't have to worry about income and wages - the difference between those who can give online classes and those who will have to venture out in crowded spaces to earn a living.

"The only certainty is that rich countries and rich classes will focus on saving themselves to the exclusion of international solidarity and medical aid. Walls not vaccines: could there be a more evil template for the future?"

It's a lesson for all to remain united in difficult times. Many who lost their dear and near ones should bear the courage and retain their strength to continue. The pandemic has shaken the entire world. It also sends a message to remain sympathetic to poor and distressed. It's a wake up call for government and policy makers of the nation to plan and be prepared by any type of emergency.

*Shaikh Farhat Akhtar Hussain  
FYBA*

## **Role of Media in sustaining Democracy**

Nations across the world are going through lot of ups and downs with the types of government. Media has been playing an important role in these changes. There are changing types in government like from Monarchy to Parliamentary, Parliamentary to Presidential. Most of the countries in modern world have adopted Democratic form of government.

The term democracy originates from the Greek word -demos and Kratos meaning 'rule of the people' India has adopted democratic system of government since independence. To protect the hall of democracy, it is bestowed with the four pillars to uphold people's rights. The four pillars of Democracy are

- 1)Legislature
- 2)Executive
- 3)Judiciary and
- 4)Media (Print & Electronic)

Media, often referred as the fourth pillar of Democracy play an important role in sustaining and promoting Democracy. It is a mediator between people and government. Under Democracy, the rule of law protects the rights of the citizens, maintains order and limits the power of government. People have the liberty and freedom to criticize the actions of the government if they are unjust. Media acts as mouth piece for masses. It helps to amplify the unheard voice of the mass to reach out the government.

However today there is deviation of Media from its path. We have seen how irresponsibly the media functions at times. Sometimes they act as agents to political parties. The real issues that touches the lives of common people are muted like the economic realities and down sliding of manufacturing sectors. The problems like inflation, unemployment and poverty are raised depending on the party which is in power. The voices of the minorities are often not raised or silenced. The gross inequality and unequal developments of states due to lapses in policies of government are never questioned.

Many a times the news coverage try to provoke rather than maintain peace during reporting of a communal tensions and riots. Communicating religious beliefs to ward off evil and welcome prosperity is a common feature of media these days. Same news are repeatedly shown and sometimes its provoking rather than educating the masses. Media has never tried to show the corrupt practices within the media.

There is a need for transformation of role of media from negative to positive. Media has a very important role to play in helping the country to transit from a rural ignorant masses to a modern empowered and informed

society. The Press Council of India should regularly build a code of conduct for newspapers, news agencies and journalists. The principles of journalism and codes of ethics should be designed to avoid to spread the hatred among communities. False and fake news should not be reported in print and electronic media.

Media should become a strong voice of masses. Media Digital media should push the leaders to be transparent and responsible in their working. Media has an important contribution in the economic growth of a nation. It play an important role in promoting democratic ethos and sustaining democracy. Only then, media can be able to uphold the place of being the fourth pillar of Democracy in India.

*Memon Mohd Amaan  
FYBCOM*

### **Corruption:**

Corruption is a term that refers to the abuse of power, position or authority for personal gain. It is a global phenomenon that has been plaguing societies for centuries and has become a major issue in today's world. Corruption can take many forms, such as bribery, embezzlement, nepotism, and favoritism. It is a cancer that eats away at the fabric of society, undermines the rule of law, and erodes public trust in government institutions.

One of the main consequences of corruption is the diversion of resources from their intended purpose. This can lead to a lack of investment in critical infrastructure, such as schools, hospitals, and roads, which can have a devastating impact on the quality of life of citizens. Corruption also undermines economic growth by discouraging foreign investment and distorting markets.

Furthermore, corruption can have serious implications for democracy and human rights. When officials are corrupt, they are less likely to be held accountable for their actions, which can lead to a breakdown in the rule of law. This can result in violations of human rights, such as arbitrary detention, torture, and extrajudicial killings.

The fight against corruption requires a concerted effort from all stakeholders, including governments, civil society organizations, and individuals. Governments must take steps to strengthen anti-corruption laws and institutions, increase transparency and accountability, and promote a culture of integrity. Civil society organizations can play a crucial role in monitoring government actions and exposing corrupt practices. Individuals can also contribute by refusing to engage in corrupt activities and reporting any instances of corruption they witness.

In conclusion, corruption is a serious problem that has far-reaching consequences for society. It undermines economic growth, democracy, and human rights. The fight against corruption requires a sustained effort from all stakeholders to promote transparency, accountability, and integrity. Only then can we hope to build a more just and equitable society for all.

### **Role of youth in National Development**

The youth of a nation is considered to be the backbone of its development. They are the future leaders and have the potential to bring about positive change in society. The role of youth in national development is crucial as they can contribute to the growth and progress of the country in various ways.

One of the most significant contributions that the youth can make is through education. Education is the key to development, and the youth can play a vital role in promoting education and awareness in society. They can volunteer to teach in schools, organize educational campaigns, and promote literacy among the underprivileged sections of society.

The youth can also contribute to national development by participating in various social and community development programs. They can volunteer in health camps, clean-up drives, and other such initiatives that aim to improve the quality of life of citizens. They can also work towards promoting environmental sustainability and conservation.

Furthermore, the youth can play a crucial role in promoting entrepreneurship and innovation. They can start their own businesses, create jobs, and contribute to economic growth. They can also bring new ideas and technologies that can help solve some of the country's most pressing issues.

In conclusion, the role of youth in national development is critical. They can contribute to various aspects of development, including education, social welfare, entrepreneurship, and innovation. Therefore, it is essential to encourage and empower young people to become active participants in the development process. By doing so, we can build a brighter future for our nation.

## **Challenges in Indian Education system**

The Indian education system has come a long way since its inception. From being a privilege reserved only for the elite to becoming a fundamental right for every child, the Indian education system has seen significant changes over the years. However, despite these changes, there are still several challenges that need to be addressed.

One of the most significant challenges facing the Indian education system is the issue of access. While the Right to Education Act guarantees free and compulsory education for all children between the ages of 6 and 14, many children still do not have access to quality education. This is particularly true for children from marginalized communities who face numerous barriers to education, such as poverty, discrimination, and lack of infrastructure.

Another challenge facing the Indian education system is the quality of education. While there has been a significant increase in enrollment rates, the quality of education remains a concern. The curriculum is often outdated and does not equip students with the skills they need to succeed in today's world. Additionally, there is a shortage of qualified teachers, particularly in rural areas. The Indian education system also faces challenges in terms of equity and inclusivity. There is a significant gender gap in enrollment rates, with girls being less likely to attend school than boys. Children with disabilities also face numerous barriers to education, including lack of accessibility and discrimination.

Despite these challenges, there have been several positive developments in the Indian education system. The government has launched several initiatives aimed at improving access to education and increasing enrollment rates. There has also been a focus on improving the quality of education through curriculum reform and teacher training programs.

In conclusion, while there are still several challenges facing the Indian education system, there have been significant improvements in recent years. However, there is still a long way to go before every child in India has access to quality education. It is essential for all stakeholders, including the government, civil society organizations, and communities, to work together to address these challenges and build a better education system for future generations.

## **Poem- Indian Culture**

India, a land of diversity,  
Where culture thrives in every city.  
From the Himalayas to the sea,  
Our heritage is a sight to see.

In the north, the land of the brave,  
Where the warriors fought to save.  
The colorful turbans and the Rajasthani art,  
Showcases the culture that is close to our heart.

The south, with its temples and beaches,  
Where the people are warm and their hospitality never ceases.  
The dance forms and the music here,  
Are a treat to the eyes and ears.

The east, with its lush greenery,  
Where the festivals are celebrated with much glee.  
The art of weaving and embroidery,  
Is a reflection of their rich history.

The west, with its vibrant nightlife,  
Where the food is spicy and the people are full of life.  
The fashion and the Bollywood glam,  
Are known throughout the world as a cultural jam.

### پریم چند کے افسانے انصاری ارم امتیاز احمد۔ ٹی وائی بی اے

پریم چند کے افسانے ہمارے سماج کی منہ بولتی تصویر ہیں۔ ان کے کردار ہم اور آپ ہیں۔ بہتر سال بعد بھی ان افسانوں میں وہی تازگی اور حقیقت نظر آتی ہے جسے ہم اپنے ارد گرد گھومتے پھرتے کام کرتے انسانوں اور ماحول میں دیکھتے ہیں۔ ہندوستانیت کے رنگ میں ڈوبے پریم چند کے قلم نے بیسویں صدی کے ابتدائی برسوں میں ہمارے سماج کی جو تصویر کشی کی ہے کم و بیش وہی حالت آج بھی ہے۔ قاری پریم چند کی کہانیوں کی چند سطریں پڑھتے ہی اپنے آپ کو اسی ماحول میں محسوس کرنے لگتا ہے۔

پریم چند ۳۱ جولائی ۱۸۸۰ء کو بنارس کے ایک گائوں لمہی میں ایک کاسیتھ خاندان میں پیدا ہوئے۔ ان کی ابتدائی تعلیم گھر پر ہی عربی فارسی سے ہوئی۔ جب ان کے والد کا تبادلہ گورکھپور ہوا تو وہ اسکول جانے لگے اور مشکلات بھری زندگی کے باوجود انھوں نے بی۔ اے کیا۔ کچھ عرصے تک وہ اسکولوں میں پڑھاتے رہے اور ۱۹۰۹ء میں سب ڈپٹی انسپکٹر آف اسکولز کے منصب پر فائز ہوئے۔ چوں کہ پڑھنے لکھنے کا شوق تھا لہذا ملازمت کے ساتھ ساتھ انھوں نے ادب کی دنیا سے تعلق قائم رکھا۔

پریم چند گاندھی جی سے بہت متاثر تھے۔ سودیشی تحریک کی کشش سے انھوں نے سرکاری ملازمت سے استعفیٰ دے دیا اور صحافت کی دنیا میں قدم رکھا۔ انھوں نے مختلف اوقات میں کئی رسالے نکالے لیکن سب سے زیادہ شہرت انھیں 'ہنس' سے ملی جو ان کے انتقال کے بعد بھی جاری رہا اور اب بھی جاری ہے۔

انجمن ترقی پسند مصنفین کی ۱۵ اپریل ۱۹۳۵ء میں منعقدہ پہلی کانفرنس کی صدارت پریم چند نے کی۔ اس دور کے روشن خیال ادیبوں کے لیے پریم چند کی حیثیت رول ماڈل کی تھی۔ اس کانفرنس میں پریم چند کے خطبہ صدارت کی حیثیت ایک تاریخی دستاویز کی طرح ہے جسے ہم اپنی روایت کے ارتقا میں ایک سنگ میل کے طور پر دیکھتے ہیں۔

اپنے ۵۶ سالہ سفر حیات میں پریم چند نے بے شمار پریشانیوں اور الجھنوں کے باوجود ایک درجن ناول اور تین سو کے قریب کہانیاں لکھیں۔ اس کے علاوہ انھوں نے سماجی، سیاسی، تہذیبی، معاشرتی موضوعات پر مضامین، تبصروں، تجزیوں اور اداروں کا پیش قیمت ذخیرہ بھی چھوڑا ہے۔ انھوں نے ڈرامے، ترجمے اور رپورٹیں بھی لکھیں۔ مان سرور کے نام سے پریم چند کی کہانیاں آٹھ جلدوں میں ان کی حیات میں ہی شائع ہو گئی تھیں۔ باقی کہانیاں ان کے انتقال کے بعد گیت دھن کے عنوان سے شائع ہوئیں۔ ان کے فرزند امرت رائے نے قلم کا سپاہی کے نام سے ان کی سوانح عمری لکھی۔

ہماری معاشرتی زندگی کے مسائل پریم چند کے بعد بھی، اپنی نوعیت کے لحاظ سے زیادہ نہیں بدلے ہیں اور ایسی بہت سی خرابیاں اور کمیاں آج بھی ہمارے سماج میں موجود ہیں جن کی نشاندہی پریم چند نے اپنے قلم سے کی۔ ان کی کہانیوں پر بہترین فلمیں بھی بنائی گئیں۔ ستیہ جیت رے نے شطرنج کے کھلاڑی اور سدگتی جیسی آرٹ فلمیں انھیں کی کہانیوں پر بنائیں۔ پریم چند نے گھریلو اور مالی مشکلات کے باوجود اپنی عمر کا بیشتر حصہ ادب کی نظر کر دیا۔ کم وقت میں انھوں نے تین سو کہانیوں کے علاوہ ناول اور مضامین بھی لکھے۔ مسائل اور مشکلات میں گھر کی بے آرام زندگی کے حساب سے تو انھوں نے بہت زیادہ لکھا اور ہمارے ادب میں بیش قیمت سرمایے کا اضافہ کیا۔

اپنی بعض تخلیقات میں پریم چند کا شعور معیار کی جس سطح تک پہنچا اس تک رسائی بھی بہت کم ادیبوں کے حصے میں آئی۔ وہ اپنے دور کے سب سے حساس، باشعور اور شریف النفس انسانوں میں شامل تھے۔ انھیں اس دور کے تخلیقی معاشرے میں ایک خاص حیثیت حاصل تھی۔

ان کی کہانیاں انتہائی سادہ اور بغیر کسی پر پیچ کے نظر آتی ہیں اس کے باوجود ان کی کئی تحریریں عالمی معیار کے ادب کے ساتھ رکھی جاسکتی ہیں۔ عالمی ادب میں وہ ایک معروف شخصیت کے طور پر نظر آتے ہیں۔

## شرارت

### سولیا آفرین بن اشرف

ایک تھی بلی۔ اس کے دو بچے تھے۔ ایک کا نام موتی، دوسرے کا جوتی تھا۔ ایک دن موتی اور جوتی آنگن میں کھیل رہے تھے۔ وہاں انھیں ایک الگنی پڑی مل گئی، جس پر ان کی ماں کپڑے سکھایا کرتی تھی۔ پھر کیا تھا، دونوں نے رسی کے ایک ایک سرے کو پکڑا اور رستہ کشی کا کھیل شروع کر دیا۔

موتی اور جوتی کی ماں نے دونوں کو الگنی سے کھیلنے ہوئے دیکھا تو جلدی سے ان کے پاس گئی۔ وہ چاہتی تھی کہ دونوں کی پٹائی کرے۔

اچانک اس کے دل میں کوئی خیال آیا اور وہ مسکرا کر بولی۔

بس یوں ہی مضبوطی سے رسی کو تھامے رکھو !

موتی اور جوتی حیران تھے کہ دیکھیں اب ماں کیا کرتی ہے؟ ماں جلدی سے دھوئے ہوئے سب کپڑے اٹھالائی اور ایک ایک کر کے الگنی پر لٹکانے لگی۔ پھر ہنس کر بولی اب تم دونوں رسی کو اپنی اپنی طرف کھینچو، جب تک کپڑے سوکھ نہ جائیں۔ ہاں! یاد رکھنا اپنی اپنی جگہ سے ہلنا مت۔ موتی اور جوتی (چلا کر) بولے مگر امی اس میں تو بہت دیر لگے گی

ماں نے کہا۔ ہاں! اسی لیے تو میں نے تمہارے لیے یہ سزا سوچی ہے تاکہ تم دونوں اتنی دیر تک کوئی نئی شرارت نہ کر سکو۔

## غزوہ تبوک

### شیخ بشرہ نفیس

تبوک ایک مشہور مقام ہے جو مدینہ اور دمشق کے بیچ میں مدینہ سے ۶ سو پچاس میل پر ہے۔

شام کے سوداگر مدینہ میں روغن زیتون بیچنے آیا کرتے تھے، انھوں نے خبر دی کہ رومیوں نے شام میں بڑی بھاری فوج جمع کی ہے، فوج کو سال بھر کی تنخواہیں پیشگی تقسیم کر دی ہیں، اس فوج میں لخم، جذام اور عسنان کے تمام لوگ شامل ہیں، فوج کا اگلا دستہ مقام بلقاء تک آچکا ہے۔

ہمارے نبیؐ نے فوج کو تیاری کا حکم دیا، سخت گرمی کا زمانہ تھا، پھل بھی پک رہے تھے، منافق جو اپنے آپ کو مسلمان کہتے تھے، خود بھی جی چراتے تھے اور دوسروں کو بھی منع کرتے تھے، چونکہ ملک پر رومیوں کے حملہ کا اندیشہ تھا، اس لیے ہمارے نبیؐ نے تمام مسلمانوں کو جنگ میں چلنے کا حکم دیا اور مالی امداد طلب کی، صحابہؓ نے اس غرض کے لیے بڑی بھاری بھاری رقمیں پیش کیں، حضرت عمرؓ اپنی دولت کا آدھا لائے، حضرت ابو بکرؓ اپنا سب کچھ اٹھالائے، عورتوں نے اپنے زیوروں سے مدد کی۔

مدینہ پر حضرت محمد بن مسلمہ کو حاکم بنا کر ہمارے نبیؐ تیس ہزار وچ لے کر تبوک روانہ ہوئے، وہاں پہنچے تو دشمن کا کہیں پتہ نہ تھا، آپ نے یہاں بیس دن قیام کیا، ایلہ کا سردار یوحنا آپ کی خدمت میں حاضر ہوا اور جزیہ دینا منظور کیا، ایک سفید خچر بھی نذر پیش کیا، اس پاس کے اور قبائل کے عیسائی بھی آئے اور انھوں نے جزیہ دینا منظور کیا۔

تبوک سے واپس ہوئے تو لوگ استقبال میں نکلے، جوش میں ہمارے نبیؐ کی بیویاں بھی گھروں سے نکل پڑیں۔

## مسجد ضرار

### چودھری جویریہ اخلاق

منافقین ہمیشہ اس فکر میں رہتے تھے کہ مسلمانوں میں کسی طرح پھوٹ ڈال دیں، اس غرض سے اور اس لیے بھی کہ اللہ اور اس کے رسول کے دشمنوں کو گھات لگانے کا موقع فراہم کریں، انھوں نے ایک مسجد بنائی، وہ قسم کھا کر کہتے تھے کہ ہماری نیتیں نیک ہیں، ہمارے نبیؐ تبوک تشریف لے جانے لگے تو منافقین نے آپؐ سے کہا کہ ہم نے بے بسوں اور معذوروں کے لیے ایک مسجد بنائی ہے، آپ چل کر ایک دفعہ نماز پڑھادیں تو مقبول ہو جائے، آپ نے فرمایا: اس وقت تبوک جارہے ہیں، تبوک سے واپس ہوئے تو اللہ نے خبر دی کہ یہ مسجد مسلمانوں میں پھوٹ ڈالنے اور کفر و عداوت کی بنا پر تیار کی گئی ہے، اس میں ہرگز نہ کھڑے ہونا، آپؐ نے چند مسلمانوں کو آگے بھیج کر اس مسجد کو پست کرادیا۔

### یاد خدا

(فخیج عبد اللہ محمد رضا)

ٹی۔ وائی۔ بی۔ کوم

اے انسان یاد کر تیرے رب کی رحمتیں  
وہ سورج کا نکلنا وہ چاند کا نکلنا یاد کر  
وہ ہواؤں کا چلنا یاد کر  
اے انسان تو کیوں بھولا وہ قصہ قرآن کے  
تو یاد کر قوم ثمود و عاد کو  
اور بنی اسرائیل کے ٹھاٹھاٹ کو  
موسیٰ نے جو کیا حکم اللہ سے وہ معجزے یاد کر  
اصحاب کہف کو یاد کر  
تو مت سو آج اصحاب کہف کی طرح  
بلکہ جاگ اٹکے دلوں کی طرح  
رب نے تجھے دی ہیں بہت سی نعمتیں اور آزمائش  
تو نعمتوں سے فائدہ اٹھا اور آزمائشوں کو پار کر  
تلاوت کر سورہ رحمن کی اور بول  
فبای الاربکا تکذبان  
تو کیوں بھول رہا ہے خدا کو  
پالے خدا کو اور اس کی رحمتیں یاد کر  
یاد کر چاند کے دو ٹکڑے ہو کر مل جانا  
وہ عظمت یاد کر وہ رحمت یاد کر  
خدا کے تجھ سے کیے وہ وعدے یاد کر

اے عبد اللہ تو کیوں بھولا اللہ کو  
 اب بھی وقت ہے تو اللہ کو یاد کر  
 کتنا پیارا رشتہ ہے نا بچہ بول نہیں پاتا  
 اور ماں دل کا حال جان لیتی ہیں  
 آپ کا مسکرانا جنت کی کلیوں کا ہے کھل جانا  
 ہزاروں نعمتوں میں اک ہیں یہ خزانہ نا  
 مجھ کو سنگ سدا آپ کے ہیں رہنا  
 جیسے مچھلی کا تلاب میں رہنا  
 آنچل میں اپنے ہے مجھ کو بسایا  
 سینے سے لگایا ہر غم ہے بہلایا  
 بولنا سکھایا، انساں مجھے بنایا  
 لباس ادب مجھ کو پہنایا  
 شکر تیرا کیسے کرو میں خدایا  
 آمنہ نے یہ عظیم تحفہ تیرا ہم نے پایا

---- شیخ آمنہ ادریس (سابق طالبہ)

## ماں

کتنا پیارا رشتہ ہے نا بچہ بول نہیں پاتا  
 اور ماں دل کا حال جان لیتی ہیں  
 آپ کا مسکرانا جنت کی کلیوں کا ہے کھل جانا  
 ہزاروں نعمتوں میں اک ہیں یہ خزانہ نا  
 مجھ کو سنگ سدا آپ کے ہیں رہنا  
 جیسے مچھلی کا تلاب میں رہنا  
 آنچل میں اپنے ہے مجھ کو بسایا  
 سینے سے لگایا ہر غم ہے بہلایا  
 بولنا سکھایا، انساں مجھے بنایا  
 لباس ادب مجھ کو پہنایا  
 شکر تیرا کیسے کرو میں خدایا  
 آمنہ نے یہ عظیم تحفہ تیرا ہم نے پایا

شیخ آمنہ ادریس - ٹی وائے بی ایم ایس

## عشق

ہے کیا ہوتی حقیقی عشق؟ ہے کیا ہوتی مجازی عشق  
 تم لو ماں کہنا میرا تم لو جان فرق میں اس  
 تم لو کر عشق سے حقیقت نہی حقیقت مجازی  
 دی دے قدرت پوری خاطر ہمارے  
 دی دے سمندر و چشم کر لے سے آسمان و زمین  
 محبوب اپنا کے تک یہاں دیا دے ذرہ ذرہ ہر کا کائنات  
 دیا دے  
 نہ ہے ہوتا ہی گزرنا سے حد میں عشق  
 نہ ہے ہوتا ہے جذبہ کا جانے کر کچھ  
 ہے رہتا ہی کرتا محبت سے بندو اپنے تو خالق  
 ہے رہتا کرتے گناہ پہ گناہ تو مخلوق  
 تم ہو نہ زدہ غم دو کہ سے ان صباء اے  
 تم لو مانگ دعا کر اٹھا ہاتھ

خان (سابق طالبہ)

## वक्त

वक्त हर वक्त एक सा नहीं होता ,  
क्योंकि वक्त तो वक्त है, बदल ही जाता है।  
कभी सूरज की रोशनी की तरह खुशियाँ ले आता है।  
तो कभी तूफान के हवाओं की तरह मुसीबते,  
कभी बारिश की तरह उन मुसिबतों को धो कर दूर कर जाता है।  
तो कभी बहार की तरह फिर नई खुशियाँ ले आता है।  
क्योंकि वक्त तो वक्त है, बदल ही जाता है।  
ज़िंदगी में तो तुम सबर से काम ,तो ही होगी तुम्हारी ज़िंदगी आसान।  
हर वक्त में खुलकर जीना सीखो यार, खुशियों और गम में संभालना सीखो यार,  
क्योंकि वक्त तो वक्त है, अज नहीं तो कल बदल ही जाता है।

रोशिना परवीन -TYBAF

## तनाव

जीव के प्रमुख लक्षणों में से डर तथा सुरक्षा प्रमुख है। तनाव, भय तथा डर के बीच का अंतर है अर्थात् जब हम दुनिया में उपस्थित प्रत्येक प्रकार के भय तथा उससे सुरक्षा के मध्य तालमेल स्थापित करने में असफल हो जाते हैं तो तनाव उत्पन्न होता है।

ऐसे में घबराया हुआ असुरक्षित मनुष्य सुरक्षित होने के लिए सदैव तत्पर रहता है, बेताब व बैचैन रहता है और यही मनोस्थिति तनाव है और हमारा जटिल जीवन, सामाजिक, राजनीतिक तथा प्रशासनिक व्यवस्था संतुलन स्थापित करने में नाकामयाब रहती है वह स्थिति तनाव कहलाती है।

आजकल हर दूसरा व्यक्ति तनाव से पीड़ित हैं। लोग छोटी-छोटी बातों के बारे में इतना सोचते हैं कि अन्य जरूरी बातों पर उनका ध्यान ही नहीं जाता है। बढ़ा हुआ तनाव हमारे मानसिक स्वास्थ्य के लिए बहुत अधिक हानिकारक होता है। अगर वक्त रहते इस स्ट्रेस और चिंता को कम ना किया जाए तो इसका बुरा असर हमारी ऑफिसियल लाइफ के साथ पर्सनल लाइफ पर भी पड़ता है।

टेंशन से पहले होने वाले सामान्य लक्षणों की सूची नीचे दी गई है:

तेजी से मूड बदलना। आत्मसम्मान में कमी आना। हर वक्त टेंशन या बेचैनी महसूस करना।

ज्यादा या कम सोना। कमजोर याददाश्त या भूलने की समस्या। जरूरत से ज्यादा शराब या ड्रग्स लेना।

जरूरत से ज्यादा थकान या ऊर्जा में कमी होना। तनाव होने पर हमेशा चीजों को सकारात्मक तरीके से देखने की कोशिश करनी चाहिए। कुछ मामलों में हो सकता है कि आपको फ्रेश स्टार्ट की भी जरूरत पड़े।

हर कार्य में अपना उत्साह बरकरार रखे। रोजाना किसी भी कार्य को करने पर उसे सर्वश्रेष्ठ तरीके से करने का भाव रखे तथा स्वयं की सोच को भी सकारात्मक रखे तो कुछ हद तक उत्साहित रहा जा सकता है।

पर्याप्त नींद व आराम मिलने से हमारा शरीर व मन दोनों स्वस्थ रहते हैं। समय पर नींद लेने से व्यक्ति की कार्यक्षमता तो बढ़ती ही है साथ ही तनाव में भी कमी लाने में मदद मिलती है।

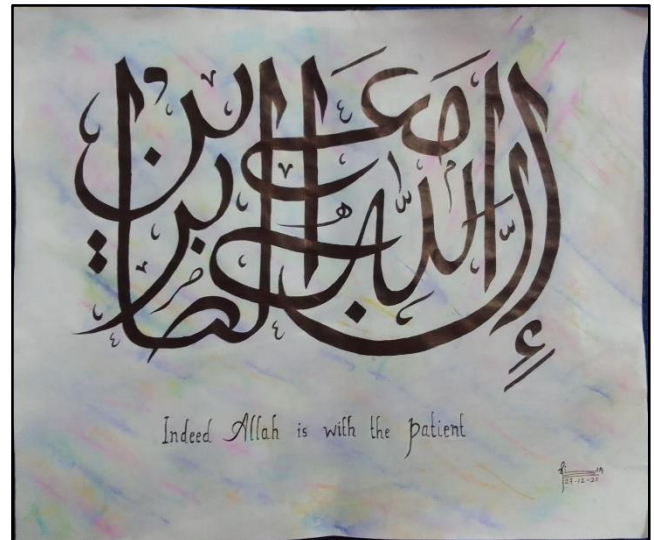

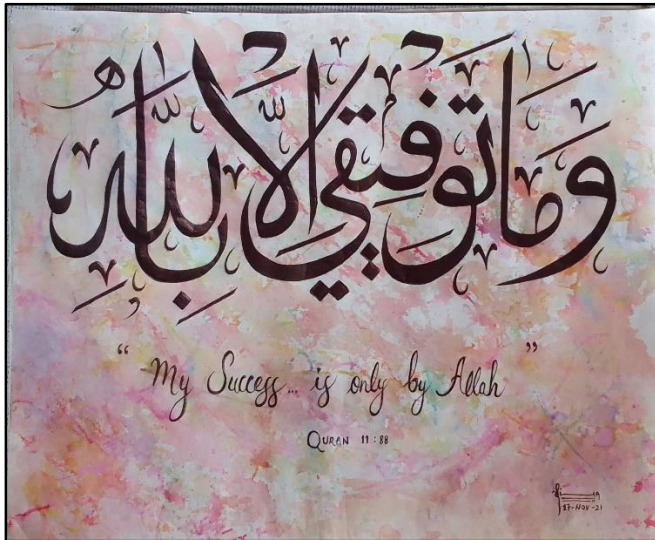

अपने मित्रों के साथ अच्छा व्यवहार करे तथा अच्छे लोगों के साथ दोस्ती रखना, तनाव को कम करने या समाप्त करने में सबसे अधिक मददगार हो सकता है।
