647 responses

Do you think college office needs to improve its functioning and behaving?

647 responses

Do you think college office provides necessary support to your needs and queries?

647 responses

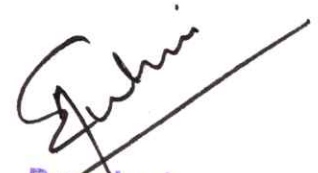

ACTION TAKEN REPORT:

The IQAC collects feedback from students to go along and keep the pace with growing needs of students. The college accordingly adopts the changes and brings a quality change in the policy and its implementation. Overall, the feedback collected shows the highest ratings provided by the students in all the criteria. We fulfill the satisfaction ratio of the students about syllabus completion, teaching-learning methodologies, CO, PO, PSO dissemination and outcomes, promotion of culture, and activities like DLLE, NSS, etc. The internal examination notices, circulars, and other relevant information are timely shared with the students. Curricular, extracurricular, and extension activities are provided to the students. Infrastructure and office behavior have been very well-rated by the students. Overall, the feedback is positive and shows an upper rate to the institute. The lacking areas are well reported and complied with by the IQAC and the college in particular.

ACTION TAKEN REPORT:

The curriculum-related feedback from the teachers is obtained at relevant intervals. The staff members are also participating in syllabus framing committees hence the suggested changes have been incorporated into their capabilities while working in the BOS. They also recommend their ideas and recent developments to the Board of Studies and according to the standard for the curriculum across disciplines is maintained.

Action taken report:

The college IQAC collects feedback from its stakeholders. Alumni being a pivotal part of the institution, help in quality enhancement and overall development of the institute. The feedback obtained for the academic year 2022-2-23 has been instrumental in analyzing the institute's progress. The teaching-learning, the relevance of the curriculum, knowledge sharing and understanding, graduate attributes, the blending of the theory and practical papers, and related career and placement is getting a higher rating from our alumni. The stakeholders also responded to criteria like office administration and working nature, assistance for freeship, and scholarship co-curricular and extracurricular activities have been rated as excellent. However, the alumni feedback has been instrumental in bringing out the quality of the institution. The lacking areas have been taken care of for the further development of the college.
